- Suggestions are given for family follow-up activities.

what parents are SAYING

"We love the theatre, but we hadn't been in years because we didn't know what to do with our kids. Now we just bring them with us."

"We're long-time subscribers to the Rep. We've been waiting years for our son to be old enough to attend the Creative Playshops!"

"My daughter loved the Playshop so much she came back the next week and brought her best friend!"

SAN JOSE REPERTORY THEATRE
30 YEARS

You watch
a play while
we watch
your kids.

While adults attend Saturday matinee performances of the Rep's mainstage productions, their children attend the theatre as well—though, while the adults are *watching* theatre, their children are *creating* it, in interactive, improvisational theatre workshops related to the themes of the mainstage production.

Ages 5 - 12

- Drop off the kids upstairs before any Saturday matinee, enjoy the performance, then pick them up afterwards in the lobby!
- You'll enjoy seeing high quality professional productions in San Jose Rep's state-of-the-art theatre.
- Your kids will enjoy creating their own characters, scenes and stories related to the themes of the performance you are seeing.
- You'll all enjoy talking about it and sharing the experience after the show!

**2010-2011
SCHEDULE**

All *Creative Playshops* begin at 3:00 p.m. in the 4th Floor Studio Theatre during every Saturday matinee.
