**REP HELPS OUT:** The best reason to go to the theater this week may be the San Jose Rep's world-premiere production of Philip Kan Gotanda's "Love in American Times." Thursday is "Pay What You Will Night," and any donation given for a ticket will go to the Japanese Cultural and Community Center of Northern California's Japan earthquake relief fund. The suggested donation is \$10.

Tickets are available only at the box office at 101 Paseo de San Antonio. Get details on the show at [www.sjrep.com](http://www.sjrep.com).
